Delaware Reflections photo book released

The Delaware coast. Those words conjure images of pastel sunrises and brilliant sunsets, of historic communities and wooden boardwalks, of memories past and vacations present.

"Delaware Reflections," a new release from Schiffer Publishing, captures the essence of the Delaware coast through Scott Butcher's stunning photography of Lewes, Rehoboth Beach, Dewey Beach, Bethany Beach and Fenwick Island, as well as Cape Henlopen State Park, Delaware Seashore State Park and Fenwick Island State Park.

Take a tour of Delaware's coastal towns, beaches and bays through this keepsake book, and visit the beach all year long.

The book is currently available at Atlantic Books locations in Rehoboth Beach, Bethany Beach and Fenwick Island; Browseabout Books in Rehoboth Beach; Bethany Beach Books in Bethany Beach and online at amazon.com.
