

Gettysburg Perspectives. Scott D. Butcher.

- Provides views seldom seen of the town of Gettysburg
- Captions provide little-known facts about every site shown
- Reveals homes, churches, and structures involved in the Battle of Gettysburg

While Gettysburg, Pennsylvania, is best known for the role it played in a pivotal three-day battle in 1863 during America's Civil War, the beauty of this historic town and its surroundings are less well known. Over 140 eye-catching color photos and an engaging text reveal beauty and history, including sites such as Lincoln Square, the Lutheran Theological Seminary, Gettysburg College, historic houses and shops along Baltimore, Carlisle, Chambersburg, and York Streets, Steinwehr Avenue, Taneytown Road, the Gettysburg Hotel, the Soldier's National Cemetery, and, of course, Gettysburg National Military Park. Victorian homes, including structures that played an active role in the Battle of Gettysburg, and a sampling from the roughly 1,400 monuments dedicated to Civil War soldiers, generals, and battalions are all included. This is the perfect guide for visitors and residents of historic Gettysburg, Pennsylvania.

Scott D. Butcher is a writer and photographer living in York, Pennsylvania. Over the years he has written a wide variety of books and articles.

Size: 9 1/8" x 8 1/8" ■ 141 color photos ■ 80 pp.
ISBN: 978-0-7643-3296-8 ■ soft cover ■ \$9.99
