“Tucson Perspectives”

Author, Scott Butcher invites you to experience Tucson like never before...view distinctive architecture - early Spanish-influenced buildings to twentieth century Modernism. Visit the Santa Catalina, Rincon, Tucson, Santa Rita, and Tortolita Mountains and tour one of the country's oldest continually-inhabited communities.

Atglen P.A. — Tucson, Arizona, is home to a diverse population that lives in tandem with the environment. It's also where the high Sonoran Desert gives way to towering sky islands to create one of the most picturesque settings to ever host a major metropolitan era. With 117 eye-catching photos, this historic city comes to life. Tour Barrio Viejo, Tucson's oldest neighborhood, and visit the La Pilita Museum, Fox Tucson Theatre, and Hotel Congress - where the infamous John Dillinger stayed. See the historic Mission San Xavier del Bac and the popular Arizona-Sonora Desert Museum while taking in the breathtaking landscape, including Mount Lemmon, that has captivated both residents and tourists for centuries. A great keepsake that you'll enjoy viewing again and again.
