Tombstone in Words and Photos!!! For those of you desiring an overview of Tombstone, today and yesterday, **Scott D. Butcher** has just what you are looking for. **Tombstone: Relive the Gunfight at the OK Corral**

has just been released by Schiffer Publishing, Ltd. Don't let that title deceive you. There is so much more in this book about Tombstone than just the gunfight that made our town so famous. Scott has astutely crafted Tombstone's story in this 96 page book containing 100 color photographs he himself took when visiting Tombstone – a visit that led to the inspiration to bring Tombstone to life in this newest book of his. This book is perfect for the casual Tombstone enthusiast, someone who desires to know just a little bit more about that our fair camp's history, that famous day in 1881 and what led up to it, and of course its aftermath, our infamous Boot Hill cemetery and much much more. But what truly inspires one to pick up this book is the beautiful photography that truly captures the Tombstone visitors see today! Imagine if you will, taking a photo of all the famous and not so famous buildings of Tombstone and the activities surrounding them. With each image captured you take home a memory. Well, this little book is just perfect for that feeling. Scott has captured those iconic images of the historic buildings and tells you some history about them. He covers the re-enactment of the gunfight and shares the history in words and images. You will feel like you are walking on our boardwalks as he takes you on a photographic tour on historic Allen Street. He takes you to Boot Hill cemetery and captures some of the most famous headstones. He takes you where many visitors don't realize they can find more of our great history and inspires you with the desire to venture down each side street to find these hidden treasures. Whether you purchase this

book prior to your visit or as a remembrance of your time in the Town Too Touch To Die, you will find that **Scott Butcher** has truly captured what a visit to Tombstone is all about. **Tombstone: Relive the Gunfight at the OK Corral** is available for \$9.99 at **Tombstone Old West Books** and **The Rose Tree Museum** in Tombstone as well as through the publisher, **Schifferbooks.com**, **Trail to Yesterday Books**, **BN.com**, **Borders.com** and **Amazon.com**. This truly is a great keepsake book for your Tombstone visit or for getting ready for the long desired visit to our real Old West town and all that awaits you!!
